Sir / Madam,

As you are aware that the Ministry of Education, Govt. of India is keen on creating skilled and technical manpower for the Nation by imparting training facilities to the maximum extent by imparting quality training to the students through apprenticeship during their course period and help them to realize their potential with more practical knowledge and employability with "on the job training" related to their courses and subsequently create a skilled technical manpower for the Nation development through a nationwide programme National Apprenticeship Training Scheme (NATS).

In lines to bring the programme on board the University Grants Commission in its Virtual Conclave on Transformational Reforms in Higher Education held on 07th August, 2020 has launched "**Guidelines for Higher Education Institutions to offer Apprenticeship/Internship embedded Degree Programmes**" in the conclave. PUBLIC NOTICE

It has come to notice that a few Universities in People's Republic of China have started issuing notices for admission to various degree programmes for the current and upcoming academic years.

In this context, any prospective student needs to be aware that the Government of People's Republic of China has imposed strict travel restrictions in the wake of COVID-19 and suspended all visas since November 2020. A large number of Indian students have not been able to return to China to continue their studies due to these restrictions. Thus far, there has been no relaxation in the restrictions. Further, the Chinese authorities have conveyed earlier that courses will be conducted online.

As per the extant rules, UGC and AICTE do not recognize such degree courses done only in online mode without prior approval.

In view of the above, students are advised to exercise due diligence in choosing where to pursue higher education to avoid further problems in employment or higher studies.
