

PLANNING AND EVALUATION COMMITTEE MEETING

Minutes of the Online meeting conducted on 08.02.2021

1. Students feedback can be collected in the following tabulated form which may be more useful and can be subjected to statistical analysis too.

Date	Activity	Rating Scale indicating the students' Satisfaction	Further Suggestions

2. A link can be created in the college website enabling the students to access the library resources online.
3. A webinar may be conducted for students stressing the precautions taken by them in their personal care and sanitation during the pandemic. The members also suggested that it would be better if a medical practitioner leads the session.
4. Apart from publishing the group projects of B.Ed. students in the Research Chronicles (for in-house circulation) the studies can be published in other journals of repute.
5. Memorandum of Understanding can be taken up with universities and private schools for research and faculty exchange with the former and ensuring placement of students with the later.
6. The precautionary step taken in the college premises like monitoring body temperature, ensuring the use of hand sanitizer regularly, maintaining social distance can be put up visually in the campus.
