29.10.2022 morning first session entry level teaching aptitude test was conducted which was used to identify an individual skill and aptitude to succeed in a profession it was in logical way totally 40 questions were asked to response, in that scale the maximum possible score is 120 and the minimum score is 40, based on their scores we can identify their aptitude

morning second session was handled by Mrs. Prema Ramesh on preparation of improvised teaching aids, she demonstrated many things and instructed to make the best out of waste material with the help of cardboard boxes and newspapers and she also displayed some handmade things each piece of definite work of art boasts of excellence the session was creative and artistic our trainees enjoyed it.

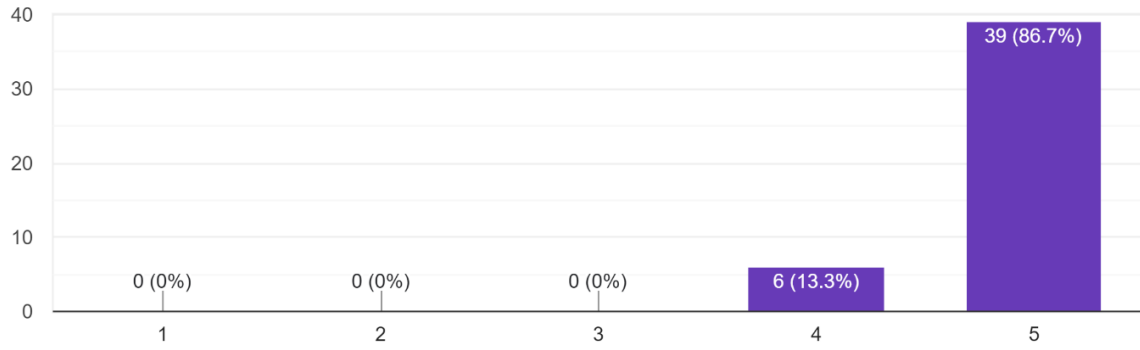

The third session was awareness talk on POSCO act which was handled by Mr. D. Simon Raj he explained about the POSCO act and the protection of child from sexual offences it aims to protect children from all types of sexual abuse, the act defines a child as any person below 18 years of age and the wellbeing of child whoever involves sexual assault shall be punished with imprisonment he clearly gave an explanation about the punishments and incident to create awareness about the untouchable abuse via mobile which was so informative to our trainees.

The afternoon first session freshers day was celebrated with the new journey of life it is an informal kind of introduction to the seniors and faculty members and the programme given by the seniors which includes fun music and interaction the programme where so useful, the preparation of the program within a short duration will be appreciable, after that freshers interacting with senior students without any fear and hesitation the day makes memorable for them.

Feedback for Students' Induction Programme - Day 8 (03.11.2022)

On 3.11.22 morning first session was handled by Dr.V.Arulselvi under the topic "Digital rights and responsibilities, In her picture she gave clear idea about digital etiquettes, such as to respect other opinion, report inappropriate content, cyber bullying and threats, which we should follow a strong passwords and awareness regarding online phishing.

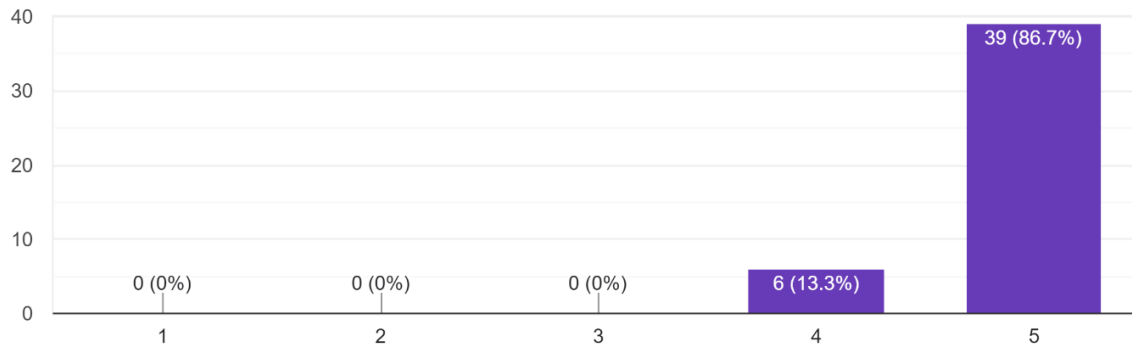

The second session was followed by Mr. L .Ravichandran and Mr M.Prabhu they gave hands on training on how to operate public addressing system, smart board, Wall mount PC and LCD projector.

Following this session "Blind fold game" for the trainees was conducted. The blindfolded person and the person who accompanied her also shared their experience to how visually handicapped and the normal person about the day to day activities. The importance of the game was explained by Dr.K.P.Shanmuga vadivu.

In the last session office bearers of student council election was conducted.5 nominees for the post of student President and student secretary were voluntarily competed. All were participated in the campaign and gave their election promises with their election logo. As voting is an important part in the democratic country polling was conducted all the trainees voted for their interest. Votes were counted results were declared.

In the morning first session orientation on swayam Mooc's was elaborated by Dr. K..P.Shanmuga vactivu, in her talk she highlighted the initiatives taken by MHRD which was designed to achieve the three cardinal principles of education policy access, equity and quality. which was launched on 15th August 2016 dedicated to the nation by president of India on 9th July 2017. There are no age barriers for this course. Both teachers and students can learn this course at any time.

The next session was handled by Dr.A.BalaMallika Devi on the topic " Time management" in her lecture she emphasized the time management is the process of organizing and planning the time for different activities. Time management involves staying focused and sticking to Prioritized tasks rather than unimportant distractions. The most remarkable feature of time is its preciousness. Do, decide ,delicate accordingly planning, time tracking, Decision making and Analytical skills lead to effective learning.
