**5.1.2 STUDENT SUPPORT FACILITIES AVAILABLE IN SRI SARADA COLLEGE OF  
EDUCATION (AUTONOMOUS), SALEM-16**

Sri Sarada College of Education offers a wide range of support facilities such as vehicle parking facility for two wheelers, which is allotted separately for students, staffs and nonteaching faculties within campus. Concerning their personal safety, the separate washroom is available for students and Faculties. For recreational activities art and craft class room were utilized for workshop and exhibition based activities in which, chocolate, ice-cream preparation, jam and pickle making were prepared, vegetable carving was conducted to form beautiful objects and also games activities were conducted by creating beautiful shapes and aesthetic sense in our mind and soul. First aid and medical kit is available for immediate precaution to our students. Students were responsible to reach the campus by their own transport facilities using common modes of local transport or private vehicles (Auto) and two-wheelers .Safe drinking water were provided to students in hygienic way . Even though our college is situated in the heart of the city it provides green ambience and peaceful environment , in addition to that adequate hostel facilities were available those who are in need . Healthy and hygienic foods at optimal cost is available in college canteen.
