

## GRIEVANCES

- 1) As it is Summer Season, to repair the ceiling fan and do the necessary arrangements.
- 2) We need a time break of at least 4 days between the model examinations and the University Semester examinations.
- 3) To arrange separate facilities to take photocopies in the Library, i.e. inside the campus itself.

## GRIEVANCES

- \* To repair the fan in general hall
- \* To add a photocopy machine inside our college may be in the library
- \* To give some study holidays between Model Examination and Semester Examination

## Grievances.

We need some gap between Model semester examination and semester examination. It is very essential for us. ~~to~~

In multipurpose hall there is a fan which is not in working condition.

The height of the table and chair is not comfortable for the student during examination.

1. To repair the fan in the general Hall.
2. To make a photocopying machine available in the library.
3. Arrangement for Table and chair for examination.

- 1) We want a gap between each exams.
- 2) We need stable chairs for our class
- 3) We need to repair fan in General hall
- 4) We need photocopy facilities in our college.
