

SRI SARADA COLLEGE OF EDUCATION (AUTONOMOUS), SALEM-16
REACCREDITED BY NAAC WITH “A” GRADE (III Cycle)

REPORT OF ENVIRONMENTAL CLUB

REPORT

The Seed ball awareness programme was conducted on 10.07.2019 at 10.00 Am in college campus. This activity has been programmed by B.Ed I year students. This awareness programme promoted environmental consciousness, encouraged sustainable practices and engaged students in hands-on conservation efforts which resulted in planting seed balls in the college of SSCE ground. Seed ball made up of clay which contains seeds of different trees like Mango, Sapota, Neem, Guava. In this activity students actively engaged to promote campus greening.

REPORT

The environmental club members collected herbal leaves like Tulsi, Karpuravalli, betel leaves, Hibiscus, mint, lemongrass etc from our herbal garden. The leaves were cleaned and the essence were taken for preparing herbal tea which is one of the traditional medicine to build a strong immune system. Due to the seasonal illness, the herbal tea is made and served to all student-teachers, teaching and non-teaching staffs.

Herbal leaves collection: Aishwarya R.
Jayashree J.

Herbal tea preparation: Saranya K.
Madhumitha P.

Herbal tea distribution: Jeevin Zarah J.
Nandhini Priya N.

CIRCULAR

Herbal tea will be distributed on 4/09/2021 to all the staffs and students in our college campus. The herbal tea is going to be prepared using the herbs that will be collected from the herbal garden by the Eco club members. Herbal tea will help us to become more immune against seasonal illnesses.

REPORT

The environmental club inaugurated the Vermicomposting activity on 25.10.2021. The environmental club members shared the importance of Vermicompost which plays a vital role in enhancing the soil fertility. The students were given awareness to bring vegetable waste for the Vermicompost pit which at the end is converted into manure. The organic manure can be used in our herbal garden to grow plants. If produced in large quantities, can also have economical values too.

Event Organising Team:

i) Vegetable Waste: collected by:

- i) P. Aishwarya
- ii) J. Jayashree
- iii) J. Jeevin Zerah
- iv) N. Nandhinipriya
- v) K. Nandhini

REPORT

The environmental club members organized a fresh herbal saplings plantation programme on 06.04.2022. It began with a welcome speech followed by planting the first sapling by the principal in our campus garden. The principal gave us a speech on how human beings get sample oxygen because of trees and how cutting down trees mercilessly has impacted the environment adversely. The environment club members created awareness on the benefits of the herbal plants and the organic manure made from the vermicompost is added to these herbal plants. All students along with staffs planted nearly 50 plant saplings. The programme ended with a vote of thanks and appreciation for their active participation by the principal.

REPORT

"E-waste awareness" was conducted on 31.01.2023 at 10.00 am in Multipurpose Hall. The programme was started with welcome address by Environment club president F. Beula Francis B.Ed I year. The session was headed by Mr. C. Arunkumar, IT Specialist who delivered a talk on 'E-waste awareness' to B.Ed I and ii year students. The session was very interesting which included relevant points such as how to dispose electronic wastes properly, which will not create any negative effect on soil condition, so there we can save earth from being polluted by e-wastes. The session also covered contents of electric waste management techniques and types of e-waste, which helped student to be enlightened with adequate knowledge about e-waste disposal. The session resource person lead the session very interesting, interactive and participated by active question. At the end, vote of thanks proposed by N.T. Roshini B.Ed ii year.
