Abstract

- Our Computer Laboratory has enough facility with updated computers having higher speed and accuracy.
- From the Academic year 2017-2022 new desktop systems were purchased to upgrade computer labs.
- Air Conditioning Facility has been provided to maintain the temperature, air distribution and humidity in laboratory.
- To maintain computer laboratories regular purchasing of mouse/RAM and other hardware components were also done.
- Space equipped with computers devoted to pedagogical use for our students.
- Power backup is available in the laboratory to store files properly and to ensure the computer is shut down correctly.
- Overall, in every year our computer laboratories were upgraded, or new laboratories set up for new requirements.
