INHABITATION OF BIRDS AND SQUIRRELS

World Ozone Day

Environmental club celebrated "World Ozone day" for 2022-2023, M.Ed students was celebrated at Tamil classroom at 3.00 P.M. T. Nadhiya delivered a welcome address. C.S. Tamilmudhu presented English poem followed by facts on ozone layer given by R. Ezhilarasi. T. Nadhiya recited Tamil poetry and finally group skit perform by M.Ed students. The vote of thanks delivered by S. Renuka. The celebration was ended with pledge by G. Vaishali.

The students highlighted the causes and effect of ozone depletion in the skit. We are the agents Environment change. Let's joint hands to preserve life on this planet by protecting ozone shield.

World Wildlife Week

World Wildlife Week was celebrated on 07.10.2022 at Kuruvampatti zoo. B.Ed II year students along with M.Ed II year were taken to a rally. V. Monisha and N.T. Roshini lead the rally by reading aloud quotes about animal abuse and the conservation oof animals. Meanwhile other students held the pluck cards in the hands which gave sound awareness of Wildlife conservation. The students at other schools also took part enthusiastically in the rally. An awareness speech about the main aim of wildlife week on how to protect and preserve the country's found was delivered by Mrs. S. Umapathi, the head and in charge officer of the zoo. Finally N.T. Roshini delivered the vote of thanks to the gathering.

Children's Day

Environmental Club celebrated children's day at Sharon high school, Vinayagapatti on 14th November, 2022. An awareness program on the Environmental concerns was given to all children which mainly focused on creating a sustainable environment. A group of 300 students were present. Mrs. Karthika, Eco club member delivered talk on 'you and your environment' followed by folk dance and an awareness skit by B.Ed students. Seed balls help in increasing the green space and has 80% growth rate. Seed balls were made by the Eco club members and are distributed to all children in the Sharon high school and the importance of seed ball was also shared with students. Finally, the session ended with sweet distribution.

World Soil Day

Environmental club celebrated world soil day at the multipurpose hall on 5th December, 2022 at 2 PM. The program began with a welcome address by Poorvisha followed by a speech by Devika on the importance of soil, slogans like 'Lend a hand to save the land' were shared by Arulmani. A quiz by Varshasri was conducted followed by poem recitation by Hemamalini which focused on the structural support of soil to plants used in agriculture. We had dance on the importance of maintaining healthy eco-system and human well-being. The programme ended with vote of Thanks by Indra.

E-Waste Awareness

"E-Waste awareness" was conducted on 31.01.2023 at 10.00 AM in multipurpose hall. The programme was started with welcome address by Environment club president F. Beula Francies B.Ed I Year. The session was headed by Mr. C. Arunkumar, IT specialist who delivered a talk on 'E-Waste Awareness' to B.Ed I and II year students. The session was very interesting which included relevant points such as how to dispose electronic wastes properly. Which will not create any negative effect on soil condition, so there we can save earth from being polluted by e-wastes. The session also covered contents of electric wastes management techniques and types of e-waste. Which helped student to be Enlightened adequate knowledge about e-waste disposal. The session resource person lead the session very interesting interactive and participated by active questions. At the end, vote of thanks proposed by N.T. Roshini, II year B.Ed.
