TAX INVOICE DECLARATION

1. Goods once sold cannot be taken back or exchanged.
2. Goods under this document will remain as NewGen's property unless full payment has been realized.
3. Interest @ 24% p.a will be charged if the payment is not received within 15 days from bill date.
4. Cheque(s) subject to realization.
5. Manufacturer's warranty terms apply.
6. Warranty does not cover burned transformer in UPS, bulged battery (ies), connecting new battery battery/ different brand battery/ different capacity battery.
7. Exact Back-up time depends upon life cycle & state of charge.

UPS & BATTERY WARRANTY ACKNOWLEDGEMENT

1. Manufacturer's Warranty Terms apply. Refer warranty card for further details.
2. Manufacture(s) will not accept the complaint UPS / Battery if sent without Original Warranty Card and Original Warranty Card is a must for Warranty Claim.
3. If the UPS / Battery Warranty Cards are misplaced by the Customer, Indemnity Bond should be collected by Notary Public by the Customer as per the Manufacture's Terms and Conditions.
4. We are not responsible for any delay in Service or Replacement of UPS / Battery by the Manufacturer. The or Replacement is solely decided by the Manufacturer only.
5. Stand-by UPS / Battery (ies) will be available on written request and on rental basis. The UPS / Battery charges will be extra.
6. In case of any service related problems, the transportation charges are extra and it will be borne by the customer.
7. Battery maintenance is not a part of this Sale. Battery distilled water maintenance will be done by us on a chargeable basis (Rs.100/- per battery per visit)

I / We have read the above Terms and Conditions and accept it.

<p>Received the UPS / Battery Warranty Card(s) For Customer</p> <p style="text-align: center;">Signature with Seal and Date</p>	<p>UPS / Battery Warranty Card(s) Delivered For NewGen Energy Systemms</p> <p style="text-align: center;">Signature with Seal and Date</p>
--	--

UPS & BATTERY MAINTENANCE TIPS

Place the UPS and Battery where they can be accessed easily for service. Place it in a well ventilated and away from the reach of children. Avoid placing the battery directly on the floor. Place it on an acid resistant plastic tray or trolley. Never cover or close the UPS & Battery with anything. Never place any object on the UPS & Battery. Never place any inflammable items or take flame near the battery. Always keep surrounding of the UPS & Battery clean. Avoid placing the UPS where any liquid may spill onto it.

Checking and filling of distilled water is not enough to maintain your battery. To get full battery and performance, the following check-ups are to be done periodically.

1. Checking of electrolyte level and equalizing it, if necessary.
2. Checking of specific gravity and equalizing it, if necessary.
3. Checking of charging voltage and charging current with Mains.
4. Checking of discharging voltage and discharging current without Mains.
5. Cleaning and tightening of Battery Terminals and the top surface of the battery.
6. Applying of Petroleum Jelly with anti corrosive additive.

The distilled water we supply is lab tested and it won't affect your battery life period. It is available at our office for Rs.40/- per litre. **Bad distilled water will kill your battery.**
